Okay. . . I wasn't already working on it, but I will! I'll use the examples of the official layout that others have recently used, unless there's something newer of which I'm not aware.

Thanks, Catherine!

Hi Marion - looks like we need a short 1-pager (in the "official" format) by Monday. Are you already working on this? We'll need some time to review in the RD IO so please send it up to us by noon on Monday, unless you hear otherwise.

Thanks!

Best,
Catherine

See below - 1-pagers for the following will be needed on Monday. As noted these will likely need to go into AAW's binder (by 1pm) on Tuesday.

I know the Novel Products paper is a late start so will try and buy some time until Tuesday.

Note that those marked with an asterisk can be "brief" 1-pagers (please do use the 1-pager format though).

Hi. Please see the list of topics for 1-pagers below which will be needed on Monday. As noted these will likely need to go into AAW's binder (by 1pm) on Tuesday. Note that those marked with an asterisk can be "brief" 1-pagers (please do use the 1-pager format though). Also, Rick is drafting the holistic approach to pesticides 1-pager. Please let me know of any questions. Thank you.
